Предисловие

Данное пособие направлено на подготовку учащихся к сдаче итоговой аттестации по контролю усвоения лексических единиц английского языка за курс начальной школы. Оно состоит из 10 вариантов тестов по 15 заданий, в которых собраны задания для повторения и закрепления материала по темам: *знакомство, приветствие, части тела, семья, профессии, еда, спорт, хобби, времена года, дни недели, одежда, дом и квартира, школа, животные, погода, природа, числа и т.д.*

Предлагаемые варианты дают возможность определить достигнутый учащимися уровень, получить необходимую информацию о степени готовности выпускников начальной школы к сдаче итоговой аттестации с учётом требований образовательного стандарта и заблаговременно выявить недостаточно усвоенные материалы для их последующего восполнения до должного уровня.

Работа с данными тестами может проводиться на уроках или дома и оцениваться учителем или родителями.
